

Use 110-120-volt devices in Europe, Asia, and anywhere with a 220-240-volt standard. 100 watts, Schuko Type-F output, NEMA 5-15R Type B input

MODEL NUMBER: **AD-100**

### Highlights

- Converts 220-240V to 110-120V
- Rated for 100 watts/VA
- Use USA/Canada 110-120V products in Europe, Asia and other 220-240V regions
- Lifetime warranty with up to \$10,000 in damage coverage

## Description

ACUPWR's AD-100 model step-down transformer converts voltage from 220-240 volts down to 110-120 volts, allowing appliances and electronic devices that require 110-120 volts to work in countries that rely on a 220-240-volt standard. The AD-100 is rated for up to 100-watt/100-volt amp loads and suitable for home, commercial, and industrial applications. It comes with a Schuko Type F plug (common in Europe, Asia, and other countries) and a NEMA 5-15R Type B input receptacle.

The AD-100 also features thermal protection; it will automatically shut down when overloaded and restart when the overload situation is corrected. Further, it can operate continuously at 120-percent beyond its stated wattage limit and even at 200-percent for a short period of time.

## Features

- Hand-assembled in the USA with premium components
- Features Schuko Type F plug and NEMA 5-15R Type B-compatible input
- Lifetime warranty and up to \$10,000 in damage coverage
- Bench-tested beyond stated wattage
- Made for home, commercial, and industrial applications
- Converts line voltage from 220-240V down to 110-120V
- Allows you to use electronics and appliances designed for 110-120V operation in 220-240V countries and regions
- No fuses! Thermal protection provides automatic shutdown when overloaded; returns to normal operation when overload situation is corrected
- Safe and reliable. Will never catch on fire when overloaded
- Operates continuously at 120-percent beyond stated wattage; 200-percent for a short period of time

## Specifications

ELECTRICAL	
Input Voltage/Frequency	220-240 volts/50 Hz
Output Voltage/Frequency	110-120 volts/50 Hz
Rated Wattage	100 W
Rated Volt-Amps	100 VA
Plug Type	Schuko Type F
Input Type	NEMA 5-15R Type B
Approval	CE
PHYSICAL	
Weight	2.5 Lbs.
Width	2.25"
Height	3"
Depth	3.75"
