

Use 220-240-Volt Devices In USA, Canada, Taiwan, and Other 110-120-Volt Countries. 500-Watts, Type-B Output, Schuko Type F Input

MODEL NUMBER: AU-500 500-watt Step-Up Voltage Transformer

Highlights

- Converts 220-240V to 110-120V
- Rated for 500 watts
- Use Foreign electronics in USA/Canada
- Lifetime warranty

Description

ACUPWR's AU-500 model step up transformer converts voltage from 110-120 volts to 220-240 volts, allowing appliances and electronic devices that require 220-240 volts to operate in the USA, Canada, and other 110-120-volt countries. The AU-500 is rated for up to 500-watt/500-volt amp loads and suitable for home, commercial, and industrial applications. It comes with a grounded Type B plug for use in the USA and Canada, and a Type F Schuko input receptacle for use with grounded Schuko Type F plugs common throughout Europe, Asia, and South America.

The AU-500 also features thermal protection; it will automatically shut down when overloaded. Further, it can operate continuously at 120-percent beyond its stated wattage limit and even 200-percent for a short period in an emergency situation.

Features

- Hand-assembled in the USA using premium components
- Lifetime warranty and up to \$10,000 in damage coverage
- Bench-tested beyond stated wattage
- Made for home, commercial, and industrial applications
- Will work with all plug types via plug adapter
- Converts line voltage from 110-120V to 220-240V
- Allows you to use electronics and appliances designed for 220-240V in 110-120V countries
- No fuses! Thermal protection provides automatic shutdown when overloaded; returns to normal operation when overload situation is corrected
- Safe and reliable! Will never catch on fire when overloaded
- Operates continuously at 120-percent beyond stated wattage; 200-percent for approximately 30 minutes in an emergency situation

Specifications

ELECTRICAL	
Input Voltage/Frequency	110-120 Volts/60 Hz
Output Voltage/Frequency	220-240 Volts/60 Hz
Rated Wattage	500 W
Rated Volt-Amps	500 VA
Plug Type	Type B (NEMA 5-15P)
Input Type	Schuko Type F
PHYSICAL	
Weight	9.2 Lbs.
Width	5"
Height	4.5"
Dimensions	4"
