

**Use 220-240-volt devices in USA, Canada, Taiwan, and other 110-120-volt countries. 300-watts, Type-B output, NEMA 5-15P Type B input**

MODEL NUMBER: AU-300

### Highlights

- Converts 110-120V up to 220-240V
- Rated for 300 watts/volt amps
- Use 220-240-volt electronics/appliances in 110-120-volt countries (USA, Canada, Taiwan, et al.)
- Lifetime warranty with up to \$10,000 in damage coverage

## Description

ACUPWR's AU-300 model step-up transformer converts voltage from 110-120 volts up to 220-240 volts, allowing appliances and electronic devices that require 220-240 volts to work in the USA, Canada, Taiwan, and other countries that rely on a 110-120-volt standard. The AU-300 is rated for up to 300-watt/300-volt amp loads and suitable for home, commercial, and industrial applications. It comes with a grounded Type B plug, and a NEMA 5-15R Type B input receptacle.

The AU-300 also features thermal protection; it will automatically shut down when overloaded and restart when the overload situation is corrected. Further, it can operate continuously at 120-percent beyond its stated wattage limit and even at 200-percent for a short period of time.

## Features

- Hand-assembled in the USA with premium components
- Features Type B input and NEMA 5-15R Type B-compatible output
- Lifetime warranty and up to \$10,000 in damage coverage
- Bench-tested beyond stated wattage
- Made for home, commercial, and industrial applications
- Will work with all plug types via included plug adapter (specify type needed at checkout)
- Converts line voltage from 110-120V up to 220-240V
- Allows you to use electronics and appliances designed for 220-240V in 110-120V countries
- No fuses! Thermal protection provides automatic shutdown when overloaded; returns to normal operation when overload situation is corrected
- Safe and reliable. Will never catch on fire when overloaded
- Operates continuously at 120-percent beyond stated wattage; 200-percent for a short period of time

## Specifications

ELECTRICAL	
Input Voltage/Frequency	110-120 Volts/60 Hz
Output Voltage/Frequency	220-240 Volts/60 Hz
Rated Wattage	300 W
Rated Volt-Amps	300 VA
Plug Type	Type B (NEMA 5-15P)
Input Type	NEMA 5-15R Type B
Approval	CE
PHYSICAL	
Weight	5 Lbs.
Width	2.5"
Height	4.5"
Depth	3"
