You can update your birthday, height, country and e-mail ID as well.</p> <p><b>DISPOSAL AND RECYCLING INFORMATION</b></p> <p>Electrical and electronic devices may not be disposed of with domestic waste. Consumers are obliged by law to return the electrical and electronic devices at the end of their service lives to the public collecting points set up for this purpose or point of sale. Details of this are defined by the national law of the respective country. By recycling, reusing materials or other forms of utilising old devices, you are making an important contribution to protecting our environment.</p> <p><b>REGULATORY INFORMATION</b></p> <p>USA: Federal Communications</p>	<p>Commission (FCC) Statement</p> <p>This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions:</p> <ul style="list-style-type: none"> <li>• This device may cause harmful interference, and this device must accept any interference received, including interference that may cause undesired operation.</li> </ul> <p>Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the authority to operate the equipment.</p> <p>Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on. The user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>• Reorient or relocate the receiving antenna.</li> <li>• Increase the separation between the equipment and receiver.</li> <li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>• Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p>The NoiseFit Crew Pro watch is not a toy. The watch contains small components that could be a choking hazard and are not intended for use by small children or pets. Unless otherwise specified, devices and services are not medical devices and are not intended to diagnose, treat, cure or prevent any disease. We develop products and services to track daily activity and wellness information as accurately as possible. The accuracy of devices is not intended to be equivalent to medical devices or scientific measurement devices. In some cases, prolonged use of products may cause skin irritation. Prolonged contact may contribute to skin irritation or allergies. To reduce the possibility of irritation, keep the watch and watch band clean and dry. Don't wear it too tight and give your wrist a rest by removing the watch after an extended period of wear. If you feel soreness, tingling, numbness, burning or stiffness in your hands or wrists while or after wearing the watch, please immediately discontinue use.</p>	<p><b>MAINTENANCE INSTRUCTIONS</b></p> <ul style="list-style-type: none"> <li>• Keep the device dry and clean regularly and especially after prolonged use with water and dirt can build up underneath the band and can cause skin irritation.</li> <li>• Do not wear the device too tight but make sure that the bottom sensor is lightly in contact with your skin and there is a gap of about one finger's width between the wrist strap and your wrist.</li> <li>• Do not use household cleaners to clean the device. Use soap-free cleaners instead.</li> <li>• For stains that are difficult to remove, it is recommended to scrub with alcohol.</li> <li>• The device is not suitable for diving, swimming in the sea or saunas. It is suitable for swimming pools, showers (cold water) and swimming in shallows.</li> <li>• Keep it away from direct sunlight, high temperatures or humid conditions as it may damage the band over time.</li> </ul> <p><b>CUSTOMER SUPPORT</b></p> <p>If you experience any problem with the watch, it may be fixed by restarting your watch.
