Budenberg

Flowstar is now an authorised distributor for Budenberg. Budenberg is a 100% British company and has been manufacturing in the UK since 1854. It could be argued that the Budenberg brand is considered the Rolls Royce to many of the worlds Engineers and specifiers. If there is a Budenberg product you use that we dont currently stock then please let us know.

Valve Recertification

Safety and Relief valves are there to protect property and life hence need **recertifying annually** (or sooner if requested by your insurer). Flowstar provides a fast efficient recertification service. Please contact us to discuss further on 01482 601030 or email sales@flowstar.co.uk

SAMEDAY DESPATCH IF ORDERED BY 5PM
