Inside 13"x10.75"

A high-angle, close-up photograph of a stainless steel kitchen sink. The sink is set into a white marble countertop. A modern, polished stainless steel faucet with a curved spout is positioned on the left side of the sink. The sink itself features a stainless steel grid drain cover. In the foreground, a wooden cutting board with a handle cutout is placed on the edge of the sink. The background shows a window with blinds, suggesting a bright, natural light source.
