## **DURABILITY**

*PVD Nano Tech Bonding (Physical Vapor Deposition) provide your stainless steel sink with an extra layer of protection.*

## **BUILD TO LAST**

*Highly resistant against corrosion, tarnishing & fading.*

## **REDUCES MAINTENANCE**

*PVD coating is highly resistant to water which means water splashes won't stay & dry leaving any water spots.*

## **EASY TO CLEAN**

*Simply needing a soft cloth, mild soap & water.*

## **COLOR MATCHING ACCESSORIES INCLUDED WITH EACH SINK**

*Solid Wood Cutting Board, Roll Up Mat / Grids / Colander / Garbage Disposal Flange & Basket Strainers.*
