ORDERING WITH US

DROPSHIPPING

If you don't have warehousing facilities or the ability to store large quantities of stock, dropshipping can be a fantastic way to sell a great range of products to your customers at no risk to you. As a trade member of Distinction Furniture, you are able to sell any number of our stock products to your own clients whilst receiving a great discount off RRP to allow you to make a good profit. We take care of all shipping and logistics to your customers at our London based distribution center so that you can focus on growing your business.

You can also purchase any of our items to hold as stock in your own warehousing facility. As a stockist, you can buy any of our standard stock or personalise pieces to your own taste. By purchasing either a 20ft or 40ft container direct with us you can take advantage of increased savings over our usual trade prices and benefit from unlimited customisation opportunities to make our products your own.

DELIVERY

Standard lead time in the UK is 2-3 weeks for stock products, stock levels permitting. Items that are out of stock or items of customized stock in large quantities will be subject to a lead time of 8-12 weeks, unless otherwise stated.

Mainland England and Wales

Shipments to mainland England and Wales addresses are charged depending on the value of the order.

Carriage to Ireland and the British Isles

Shipments to Northern Ireland, Republic of Ireland and the British Isles are priced as above to a designated shipping company or port of the clients choice. The onward freight from this point can be organised by Distinction Furniture, if mutually agreed by both parties, for a further charge that is quoted on inquiry. If Distinction Furniture is not informed that you wish us to handle the onward freight, the assumption will be made that you, the purchaser, will assume responsibility for this.

Two Man White Glove Delivery Service

For large items or orders (over the value of £500) requiring installation, a two-man white glove delivery service may be necessary. Where this service is required, a surcharge of £75 is charged. This includes:

- Personal call to the customer to confirm delivery date. Please note, whilst we cannot guarantee specific times requested by the customer, we will however do our best to accommodate.
- A two-hour working guideline for delivery by the working day before their agreed delivery date. A text message will be sent if a mobile number has been provided or a call will be placed to landline numbers. This is a guideline, not a guarantee. Our crew will endeavor to meet these guidelines, but will not be liable for delays due to external factors such as traffic which are out of our control.
- Delivery to a room of choice.
- Unpack and carry out installation of the item such as fitting legs and any mechanisms.
- Demonstrating how to use any mechanisms where necessary.
- Removal of all packaging and consequent disposal in an ethical and environmentally friendly way.

One Man Courier Service

For smaller items, a one-man delivery service, excluding installation, will be provided. This is our standard delivery package that is included in the price of carriage (listed above). This includes:

- A delivery slot organised via text or email in the week prior to delivery. You will be provided with a 3-hour delivery window. In the event that you cannot make this delivery slot, you can reject the suggestion and a new slot will be issued to you.
- You will receive a courtesy call up to 30 minutes prior to the delivery.
- The item will be delivered to any ground floor room of your choice, but the courier will not handle unpacking, installation or removal and disposal of packaging.

Container Delivery

Stockists who order full containers of product to hold in their own warehousing facilities will have their containers delivered directly from port to their listed address, the cost for this is quoted on inquiry. Stockists will need to ensure they are equipped with the relevant tools to receive the goods. Distinction Furniture will not be responsible for offloading the goods.
