
MARMORI SIDE TABLE

SPECIFICATION SHEET

DESCRIPTION

The Marmori is a beautiful table that may look deceptively delicate, due to its statement slimline frame. But the stainless-steel structure offers sturdy support. We used a marble effect paper laminated top to get all the style and sophistication of marble without the extraordinary weight and price.

ASSEMBLY No assembly required

CODE CH-2BED-SIDETABLE2

DIMENSIONS

Diameter	590mm
Height	450mm
