
CUBA TV UNIT- GREY LACQUER

SPECIFICATION SHEET

DESCRIPTION

Our Cuba TV unit is the perfect monochromatic statement piece. Adding a beautiful high gloss, lacquer finish to a durable stainless steel base offers a unique take on industrial chic. Made from high-quality MDF and beautiful high gloss lacquer and with an additional glass shelf this unit is stylish but extremely practical. We added a coloured glass top to ensure that the lacquer is properly protected from hot drinks, boisterous guests, sharp objects and all other things that would threaten to chip the lacquer surface.

CODE CBATU001
