

# CHEESE & CHARCUTERIE PLATTERS

Our cheesemongers curate beautiful platters based on seasonality. Dedalus curates the highest quality cheeses and charcuterie available. Our platters are always unique and always include the latest provisions from our favorite artisanal producers. Allow us to design a custom board that will impress your guests and saves you time!

## STEP 1

Select from of our 3 sizes to fit your needs. Tell us whether you want cheese, charcuterie, or both. All platters include the appropriate accouterment. A baguette or box of crackers is included, but we suggest adding a Bread and Cracker Tray for the larger platters.
