

Bollicine Chandelier

Item number - mgc0204

This 4 light hand crafted and blown combination of Murano glass and science glass makes this fluid piece both elegant and strong. The whimsical randomly strung spheres seem to magically float and glow from the light source within the strands. The length and color options are only limited by your imagination.

Each chandelier will be supplied with four feet of chain

Lamping: G9 Halogen Bulbs (up to 75 watts)

Maximum wattage per socket 75.

Weight: 35 lbs

Height: 43 inches (109 cm)

Diameter: 23 inches (58 cm)
