

### **Lavica Lamp**

Item number - mgl0205

A hand-crafted and blown Murano glass cylindrical form lamp. The cylinder has sides that are applied with various drips creating an interesting textural effect. This texture gives the lamp the appearance of having more volume and mass when illuminated.

Height: 31 inches (79cm)

Diameter: 6 inches (15cm)

(Without shade)

Shown in: Opaline and Rust

Custom colors available
