

# Material Safety Data Sheet

## IDENTITY (As used on Label and List) - The Water Cleanser

### 1) Chemical Product and Company Identification

Supplier Name: Marine Easy Clean Pty. Ltd (ABN 99 144 812 804)  
Address: 46 Capewell Dr, Denham, Western Australia 6537  
Phone: +61 (0) 8 99 481 325  
Mobile: +61 (0) 427 481 325  
Product Name: The Water Cleanser

### 2) Composition / Information on Ingredients

English Name: The Water Cleanser  
Synonym: Paraffin waxes, Microcrystalline waxes and Hydrocarbons.  
Export Classification: Hydrocarbon Wax Blocks  
Percentage of Ingredient: 100% of mass

### 3) Hazard Identification

Overview: Black waxy solid, odour - minor petroleum smell at room temp.  
Will burn under fire conditions.  
Health Effect: Skin: Repeated or prolonged contact may cause irritation.  
Ingestion: No adverse effects are expected.  
But may cause vomit or irritation  
Carcinogenicity: Paraffin waxes and Hydrocarbon waxes are not listed as a carcinogen or suspected carcinogen by IARC, NTP, OR OSHA  
In Water: No leaching of hydrocarbons occur  
Direct Sun out of water: Product will melt. Keep in full shade

### 4) Usage

Overview: Before you place the Water Cleanser into water, wash the wax block under running water to eliminate any contaminants that might occur through transport and storage.

### 5) First Aid Measures

In case of ingestion: Do not induce vomiting and call a physician.

### 6) Fire Fighting Measure

Suitable Extinguishing Media: Foam, Dry Chemical and CO2 (Handle as Petroleum product)  
Special Exposure Hazards: This Product, like all hydrocarbons, will burn vigorously under fire conditions.

Flash Point: 218°C (C.O.C.)  
Lower flammable limit: Unknown  
Upper flammable limit: Unknown

Special Extinguishing Procedure: Cool fire exposed containers with water.  
Special Protection Equipment: For Large fires or fires in confined spaces, self-contained breathing apparatus and protective clothes are required.

### 7) Accident Release Measures:

Method for Cleaning Up: Recover free solid.  
If molten wax spill, solidify and recover.

### 8) Handling and Storage

Handling: Avoid prolonged or repeated contact with skin wash hands with soap and water after handling, especially before eating or smoking.  
Storage: Store inside of warehouse, keeping away from high heat or open flames.  
Store in cardboard containers

### 9) Physical and Chemical Properties / Characteristics

Appearance: Black solid  
Physical State: Solid  
pH value: Not Applicable  
Odour: minor petroleum smell at room temp  
Melting Point: 65°C  
Boiling Point: Not Available  
Decomposition Temperature: Not Available  
Flash Point: 218°C  
Test Method: Cleveland Open Cup  
Density: 0.767 g/cm<sup>3</sup>, 80°C  
Exposure Limits: ACGIH TLV, 2mg/m<sup>3</sup> for wax fumes in air (8hr TWA)  
Vapour Pressure: Nil  
Vapour Density: Not Available  
Solubility in Water: Solid  
Octanol/Water Coefficient: Not Available

### 10) Stability and Reactivity

Stability: Stable under normal storage and handling condition  
Condition to Avoid: High temperatures and open flames  
Incompatibility: Strong oxidizing agents  
Hazardous Decomposition: When heated to decomposition, may emit oxides of carbon.  
Hazardous polymerization: Will not occur.

### 11) Toxicological Information

In Water no leaching of hydrocarbons occur

### 12) Ecological Information

Possibility of Environmental damage In Water no leaching of hydrocarbons occur

### 13) Disposal Information

Disposal Information: Household waste

### 14) Transport Information

International Transport Regulation: Not regulated as hazardous for transportation when shipped at ambient temperature or below.

### 15) Regulation Information

Apply Regulation  
APVMA Classed as - not a chemical product, no registration required  
OSHA: Not hazardous by definition of Hazard Communication Standard (29CFR Part 1910.1200)

### 16)

NFPA RATING: Health = 1 Fire = 1 Reactivity = 0  
HMIS RATING: Health = 1 Fire = 1 Reactivity = 0

### Other Information

Signature of Preparer:

Date of Revision: 1st July 2014

Note: All statements, information, and data given herein are believed to be accurate and reliable but are presented without guarantee and responsibility. Statements or suggestions concerning possible use of our product are made without guarantee, since the conditions of use are beyond our control.
