

we love eyes® 

**Rule #1:
Never, ever,
ever sleep
in your eye
makeup
again, xo.**

Use this kit for safe, everyday eye makeup removal, xo.

Step 1: Use 5 drops on a cotton pad for all eye makeup including waterproof.

Step 2: Use 2 pumps on the eyelids & face as a final wash off.

I created We Love Eyes because my patients wanted to remove their eye makeup with healthier ingredients.

**Rule #2:
Don't let
anyone with
dirty eyes tell
you anything
about life, xo.**

Use this eyelid scrub kit for MGD, blepharitis & dry eye symptoms, xo

Step 1: Use 2 drops on a q-tip and scrub those eyelids clean.

Step 2: Use 2 pumps on the eyelids & face as a final wash off.

I created We Love Eyes because my patients wanted a healthier answer to eyelid scrubs.

**Rule #3:
Take the
dirty out of
false lashes
& lash exten-
sions, XO.**

When it comes to eyelash care,
let us do the dirty work, xo.

Falsies: Massage
falsie w/ 2 pumps of
foam in the palm of
your hand. Rinse with
water.

Lash Extensions: Use 1
pump on a makeup brush
and wash eyelids. Rinse
makeup brush with water
and use brush to rinse off all
foam from eyelids.

I created We Love Eyes
to provide my patients with
a healthy & safe answer to
false eyelash care.

**Rule #4:
Dirty eyes
do not lie.
Keep them
clean &
honest, xo.**

Remove bacteria, allergens, dirt & debris with the good stuff, xo

Dispense 2 pumps onto clean fingertips. With the eyes closed, scrub the eyelids back & forth 5 times. Use on face as well. Rinse off with water. Do not get into eyes. Use 1-2 times daily.

I created We Love Eyes because my patients wanted to remove their eye makeup with healthier ingredients.
