

1.請先把椅背拿起，拆下圓形把手，然後把圖中右方黑色梯形物調整至如圖所示位置，斜面應向著內側

Please take out the backrest and the knob, then adjust the position of the black plastic wedge at the right handside as follow, please note that the inclined side should face inside

2.然後調整左邊，如下圖所示，同樣地斜面應向內側放置

Then adjust the left hand as follow, the inclined surface should face inside too

3.裝回把手，然後插回椅背，最後才將把手扭緊，正確位置如下圖

Put back the knob and the backrest, finally tighten the knob, correct position is as follow
