

MUSTANG SURVIVAL INTRODUCES THE NEW 2016 PRODUCT RANGE

TRACTION GLOVES

Engineered for fishing and a first for Mustang Survival, the Traction gloves provide a 30-50% grip improvement over bare hands. In further testing, our open finger traction glove showed a 12% increase in dexterity over bare hands.

TRACTION OPEN FINGER GLOVE (MA6002)

1. Ax Suede™
2. 30-50% grip improvement in torque testing
3. Fingerless design allows for 12% dexterity improvement
