

PRODUCT RECOMMENDATION HAIR CHART

HAIR TEXTURE

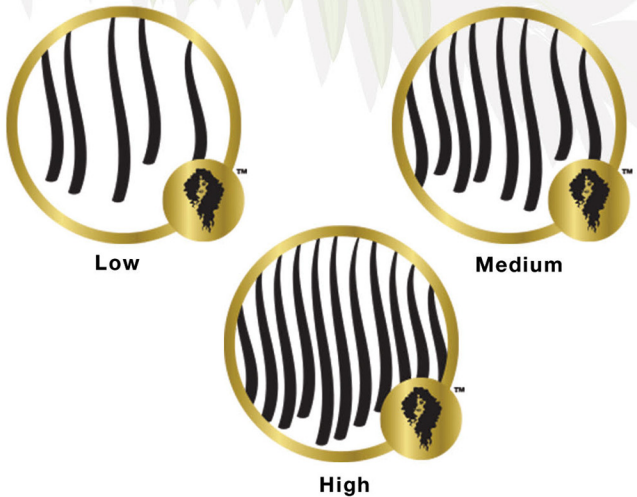

Width of each strand of hair.

Fine (Light moisture products)
Medium (Light moisture or medium moisture products)
Coarse (Medium moisture or extra moisture products)

HAIR DENSITY

Number of strands of hair on your scalp, and how tightly the individual strands are packed together.

Low (Light moisture products)
Medium (Light moisture or medium moisture products)
High (Medium moisture or extra moisture products)

BOUNCE CURL'S HIGH STANDARDS:

• Bounce Curl uses top quality ingredients & our products are made with Pure Love. We carefully select ingredients that can style, moisturize, and hold your beautiful waves, curls, & coils. Our mission is to "Help You Embrace The Natural You!"

• NO Silicones, Parabens, Sulfates, PEG's, DEA/MEA, Propylene/Butylene Glycol, Formaldehydes, Phthalates, Animal Testing, & JUNK. Color Safe & Vegan.

• We introduced our 3-level moisture system with products specifically formulated as "light moisture", "medium moisture", or "extra moisture". We include a Hair Quiz that helps recommend which product and moisture level is best for customers based on hair texture and hair density.
