

## RETAILER INFORMATION/REFERRAL

Grey Ghost Bakery's all-natural, made-from-scratch cookies are now available in four delicious varieties:

- **Lemon Spice:** Our zesty lemon cookies are hand-topped with pearlized sugar and baked with glazed lemon peel; these tasty delights are pretty enough for a garden party but why wait for a special occasion!
- **Chocolate Espresso:** Sophisticated, rich, and mellow. Decadent chocolate with a kiss of espresso can be a standalone treat or pair perfectly with coffee, tea, or red wine.
- **Cinnamon Pecan:** A new take on a Southern tradition. Buttery cookies are rolled in toasted pecans and cinnamon for a delicious crunch, perfect for home-made vanilla ice cream sandwiches or savored on their own.
- **Molasses Spice:** Old-fashioned flavor with a modern kick. Molasses, ginger, and vanilla combine to create a year-round chewy molasses treat reminiscent of crisp fall days, perfect with a glass of ice-cold milk.

Believing the real thing is the best thing, Grey Ghost Bakery's fresh, all-natural ingredients include: unbleached, unbromated flour, European-style butter, pure cane sugar, whole eggs, pure vanilla extract, cocoa, crystallized ginger, molasses, dark corn syrup (not high fructose), and premium nuts and spices.

Despite all natural ingredients and a lack of preservatives, the cookies have a surprisingly long shelf life (45-60 days depending on variety).

**Grey Ghost Bakery is delighted to include new stores in our growing list of retailers! To request wholesale information and our current pricing, please email or give us a call at 803.238.1123. We'd love to talk with you!**

Like the ghost tales of the Carolina Lowcountry, Grey Ghost Bakery's legendary recipes have been passed through our family for generations. We're a small family-owned baking company based in South Carolina and we use the highest quality all natural ingredients to create our made-from-scratch, hand-formed cookies in a range of truly addictive flavors.

Pawleys Island, SC legend has it that the Grey Ghost, a friendly spirit, appears to alert residents of impending storms and protects those who heed his warning. Inspired by her lazy summer days spent baking and sharing Lowcountry lore with friends and family on the porch of her Pawleys Island beach house, owner Katherine Frankstone named the company for the beloved legend.
