Dear Mr. Light:

This letters expresses our appreciation to you for being a supporter of the fundraising effort of our first annual participation in the 2015 Baker2Vegas Challenge Cup Relay. The Los Angeles Police Revolver and Athletic club hosts this relay. More than 250 law enforcement agencies will be participating this year.

The relay team consists of 20 runners, five alternate runners and a large support team to manage the logistics of such a long course. We are proud to announce that personnel from the Threat Interdiction Unit (TIU) will participate in this year's race. This annual event has proven to be a real incentive for our personnel to engage in rigorous physical training, which benefits all the communities we serve. Personnel participate on their own time; no county funds are used in this endeavor.

Thank you for your support.

Sincerely,  
**Daniel Perez**
