ABOUT US

VERY FUN

At Spoonable Spirits, each jar of our liquor-infused treats is made by hand. We work hard to create the most delicious, ready-to-spoon desserts so you can rest easy knowing your party will be a memorable one. We offer a variety of classic flavors in addition to festive seasonal ones. Let us help you set the bar high for your next event!

BOOZY TREATS

It's a treat for the adults (age 21+ of course)! Each jar is spiked with up to 5% alcohol by volume and is made fresh to order. We also have mocktail zero alcohol flavors for anyone who does not drink!

MEET THE FOUNDER

Kelli founded Spoonable Spirits after working 6+ years for a Food Network talent. She grew tired of the standard cupcake fare at her events and thought dessert should be a lot more memorable and fun. With that, Kelli set out to re-create her sweetest college memory: Jell-o Shots. She experimented with recipes until successfully creating her line of fresh and delicious boozy puddings and jellos served in festive jars. Her brand-new dessert creation will take your party to a whole new level!

EVENTS

CORPORATE

Office celebrations, holiday parties, birthdays, thank you gifts, monthly meetings – we have you covered! We can even customize the jars with your logo. Do some people in the office not drink? Our mocktail Spoonables are delicious and contain no alcohol.

PARTY FAVORS

The best gifts are the ones you can eat! We have custom 2-jar packs and 6-jar packs in flavors of your choosing. Our insulated cases keep your jars cool outside the fridge for several hours and are very portable so guest can eat them right away or take them home!

WEDDINGS

Whether it's for your big day or the days leading up to it, we can create an elegant dessert buffet or party favor display! Our Drunk-in-Love flavor is fully customizable to add a special personal touch!

BIRTHDAYS

When you're 21 or older you can put down the cupcake and lift your cup.... of boozy treats, that is! Make the dessert table at your party extra fun (and something to talk about days later) with our festive boozy dessert finds!
