FIREPLACE

ecosmar<sup>+</sup>  
Fire

EcoSmart Fire's **LIMITED EDITION** of concrete coated freestanding fireplaces add a modern touch to any space. Durable and lightweight, they also add amazing warmth and remarkable ambience to indoor and outdoor areas - without the fuss, without any building work, and without any mess.

#### Portable Fireplace

You'll have the ability to move these contemporary, stylish pieces of portable furniture from room to room. Or, relocate your bioethanol fireplace from inside your residence to the outside during parties or festivities and store away through the warmer months if space is an issue. And take it with you if you move house!

#### No Flue, No Chimney, No Electricity Connection

Our freestanding fireplaces offer an easy and immediate, environmentally friendly solution to adding warmth and ambience to any location.

#### Surround Colour

Available in natural concrete colour.

#### Static Wind Screen

This clean and simple wind screen features four circular attachment screws and a flat panel of toughened glass, the wind screen has been designed to fit seamlessly and easily onto our freestanding indoor models and is delivered as standard.

#### Internal Fireplace Colour

All internal fireplace and Burners come in Stainless Steel.

#### Quick and Easy

With no installation or building works required, simply unpack, put into position, and off you go.

#### OPTIONAL ACCESSORIES

Fire Screens

Echo Fixings
