

Certificate Of Analysis

Calendula Organic extract

Composition:

Calendula Organic 40-50%

Glycerine Organic 20-30%

Water 20-30%

Preservative: Leucidal 2-4%

CHARACTERISTICS:

Colour: pale yellow/amber

Odour: Little (slight amber/vanilla) to none

Solubility: Soluble in alcohol; water. Insoluble in oils

SPECIFICATIONS (20°C)

Specific gravity.....1.120

Refractive index..... 1.3999

Flash point > 88 Deg C

pH.....approx 6.0

Storage instructions: cool dark environment, away from oxidative materials
And children

Batch 1706001

Not for internal use. Not tested on animals.

Shelf life 2 years; retest after one year
