

Escentials of Australia

Certificate of Analysis

St John's Wort
CO2 extracted hypericum spicatum
Cas 84082-80-4

Appearance:	Orange/Brown thick liquid
Odour:	green, slight smokiness, tea like
RI:	1.496
SG:	1.0 @ 20 deg C
Total Aerobic microbial count	<100cfu/g
Total yeast & mould count	<10cfu/g

Heavy metal test

Lead <10ppm
Arsenic <2ppm
Mercury <1ppm

Batch No 1404001

Long term storage – refrigerator
Shelf Life 36 months
Retest after 12 months
Compiled May 2021.
Not tested on animals. Not for internal use.
