

## Certificate Of Analysis

### **Yucca Botanical Liquid**

*Origin: Australia*

#### Composition:

Glycerine Organic	20-30%
Water	20-30%
Yucca yucca aloafolia	40-50%
Preservative: Citric acid	0-1%
potassium sorbate	

#### CHARACTERISTICS:

Colour: pale yellow/amber  
Odour: slight ( green) to none  
Solubility: Soluble in alcohol; water

#### SPECIFICATIONS (20\*C)

Specific gravity.....1.1205  
Refractive index..... 1.4120  
Flash point > 79 Deg C  
pH.....approx 5.5

Storage instructions: cool dark environment, away from oxidative materials

Batch 13..

Shelf life 2 years; retest after one year
