

Warm Apple Pie Dip

1 packet **Mom's Apple Pie Dip Mix** or
Honey Apple Pecan Dip Mix
1/2 cup apple juice or apple cider, hot
16oz. Cream cheese
1/4 to 1/3 cup packed brown sugar
1/4 cup butter (no substitutes)
1/4 tsp. ground cinnamon

Empty packet of mix into heat safe bowl or slow cooker.
Add apple juice or cider that is heated to hot. Stir with fork
to mix. Stir in softened cream cheese. Add 1/4 cup of brown
sugar (you may add more to taste later), and ground
cinnamon. Add butter and allow to melt into mixture. Heat
in slow cooker on high for a minimum of 2 hours to allow
apple pieces to reconstitute before serving.

**add additional brown sugar 1 tablespoon at a time to reach
desired sweetness.*
