

IceBox Freezer Slaw

1 packet **IceBox Pickle Mix**

Shredded cabbage and carrots (enough to fill a 1-gallon container)

Pack and fill a 1-gallon container with shredded cabbage and carrots. Make **IceBox Pickle Mix** according to packet directions. Pour mixed pickling solution over cabbage and carrots. Refrigerate for 5 days. Shake occasionally. Divide slaw mixture into freezer-safe zip-top bags or freezer containers. Store in freezer for up to 12 months. Thaw and serve. Delicious as a side dish with hamburgers and hot dogs.
