

Using a 9x13 cake pan, mix crust ingredients together and form into a crust on the bottom of the pan. Place in freezer to harden for 20 minutes. With an electric mixer, blend together the cream cheese and **Caramel Apple Dip Mix**. Fold in crushed pineapple, then 1/2 of the CoolWhip®. Spread over the crust layer carefully. Place in refrigerator for 20 minutes to set. In a separate bowl, mix the instant pudding according to directions using only 1-1/2 cups of milk. Gently fold in remaining CoolWhip® and mix well. Spread over the middle layer and garnish with reserved crumb mixture. Return to the refrigerator to set for 1 hour. Keep any remaining dessert refrigerated. Makes 10 servings.
