GILBERT IS RUGBY.

TRUST. PERFORMANCE. INNOVATION.

HELLO!

We are excited that you are interested in Gilbert Rugby Team Kit. This catalogue is our 2024 offering for all your club and school needs.

Gilbert is known as *the rugby brand* for balls and training gear, but we are also renowned for team apparel having been the official team kit of The Barbarians RFC since 2018, as well as hundreds of clubs and schools across the world.

Here in Canada we (Monilex Sports Ltd.) have been the official distributors of Gilbert since 1988. Our team is made of rugby players, coaches and community builders and we are passionate about supporting the Canadian rugby community.

There is a “Frequently Asked Questions” section on page 21-22 of this catalogue and our team is standing by to answer any questions you may have that are not covered here.

We pride ourselves on offering the best customer service & we look forward to working with you.

Leigh Tynan
Director - Gilbert Rugby Canada

Creating apparel that looks as good as it performs is first and foremost at Gilbert. Our talented team of designers will work with you to create both on and off-pitch apparel and training gear that folks will want to wear everyday - not just on match day! We have a best in class 3D Kit Designer that offers a clear pathway to design approvals for key decision makers at your club.

Quality has always been at the heart of what we do - products that are beautiful, high performance and built to last are the original way to be sustainable.

OUR DESIGN & FIT PROCESS.

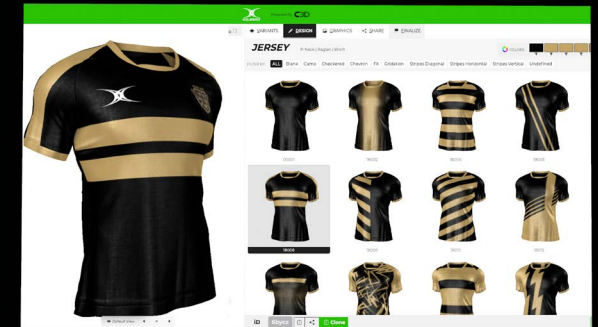

ELITE JERSEY

CUSTOM APPAREL DESIGNS & OPTIONS

For on field kit we offer two custom sublimation options to suit various requirements for performance, cost, & supply chain timelines. We have apparel to suit hot weather play as well as the cooler, rainy rugby seasons.

PERFORMANCE JERSEY

TIMELINE FROM DESIGN TO DELIVERY

We have 35 years of experience managing supply chain and logistics, with a proven track record of going above and beyond to manage timelines and troubleshoot creative solutions when global supply chain challenges arise. We will work with you to determine when items are needed and create a customized work back schedule. Depending on the product this ranges from approximately 8 weeks to 3 months for custom, and 2-4 weeks for stock items.

DESIGN PROCESS & FEES

Our design team is available to assist in creating your custom design. We advise that you try out some designs in the 3D kit builder so you have an idea of what you would like to achieve. We will work with you to bring your vision to life.

Design Services: \$85/hr

*A typical kit design working with our designer should not take more than 2 hours.

LET'S GROW THE GAME TOGETHER!

We are passionate about bringing a diverse community of folks into rugby. We would love to partner with you in creating awareness for our sport through activations and community engagement. We are a Canadian owned and operated company and we are committed to directly supporting rugby in Canada from grassroots through the high performance. Our main focus of support are groups who have traditionally faced challenges in being included in rugby, and awareness and support for the Monty Heald Women's Fund (named after one of our founders) and the new U20 Women's Age Grade Fund.

We are also grateful to have the chance to shine a light on the folks who #growthegame across the country through our GILBERT CHAMPIONS.

FAQS

HOW MUCH DOES IT COST TO KIT OUT A TEAM?

This depends on the number of athletes on your team but you can fit out a team of 25 starting at \$145/player or approximately \$3500. This would include custom jersey, stock short and socks.

HOW LONG DOES IT TAKE TO GET YOUR KIT MADE?

This is probably the most important question for many teams. From the time the art work is approved by you (the customer) and a 50% deposit is paid custom items take approximately 8 weeks for the Performance Line and 12 weeks for the Elite Line. The 'clock' starts on the timeline once we have received approval from our factory on accepting the order. For stock items that are being embellished with logos these items take 2-4 weeks from approval and 50% deposit. Items that are stock and not being embellished in house by us, ship within two business days once the order is paid in full.

WHAT IS THE MINIMUM ORDER QUANTITY?

For all items in the 2024 Gilbert Team Kit catalogue pricing is based on ordering a minimum of 15 units/item. If lower quantities are required (coaches jackets/support team apparel) these will be priced at a discount when purchased with a team order, or can be ordered at any time at retail pricing from our GilbertRugbyCanada.com website.

ARE THERE FEES FOR ARTWORK?

With our 3D kit designers some teams find they don't need help with artwork and can select from the 75 preset designs and customize it themselves. However, some teams want a fully custom design and this option is available for \$85/hour. If the customer has the correct colour codes and artwork files for their team ready to go, this process should only take 1-2 hours. For custom ball designs there is a flat fee of \$72.99 per ball style for orders under 99 units.

FAQS

HOW DOES YOUR SIZING WORK?

Both Gilbert match jersey lines come in men's and women's size runs (XS-4XL). For the Performance Line we also offer youth sizing (YXS-YL). For stock items the sizing (e.g. shorts) is a xxxs-3xl which covers both men's and women's. If needed, we have a sizing kit for both our Elite and Performance Lines to ensure your team makes the right sizing selections. We will work with you to support any sizing questions for specific products.

HOW DO I KNOW WHICH LINE IS BEST FOR MY TEAM?

We offer an Elite and Performance Line of Gilbert Custom Rugby Jerseys. There are differences in the design and construction of the jerseys & type of fabric, as well as in price and timeline. We believe its not just about price - and while we know for many amateur rugby teams, it is the key deciding factor - we will work with you to determine what line is the best fit for your club. Factors such as level of players, type of climate your team plays in and number of seasons you want the jerseys for will all help to determine which is the best choice for you.

DO YOU MANAGE SUSTAINABILITY IN YOUR SUPPLY CHAIN?

Sustainability is a focus of our business at Gilbert. This means ensuring that the factories that produce our products are closely monitored for safe working conditions and fair pay. This also means, doing what we can when selecting fabrics & construction of garments, as well as thinking about our packaging and the way our products are shipped. We believe it is possible to offer rugby products at competitive pricing that is both high performance and focused on sustainability. Gray-Nicholls (which is the parent company of Gilbert UK) has committed to the Ethical Trade Initiative which has zero tolerance for modern slavery in their supply chain.

PAYMENT TERMS & CUSTOMER SERVICE & SUPPORT POLICY

At Gilbert Rugby Canada we pride ourselves on offering the Canadian rugby community best in class customer service & support. We offer in house support which includes help with product questions, sales & service. We have a direct connection with Gilbert UK and their team of experts to be up to date on innovation in product design. Our in house design team, and UK design team work together on creating the best looking, best performing rugby products on the planet.

Our customer service policy is in place to provide a transparent and positive experience for our customers.

1) Defective products - we require any defective balls/inflatables returned to our warehouse within 30 days of purchase with proof of purchase. Any other defective products (clothing or boots, etc.) we require images of the defective product and proof of purchase emailed to info@gilbertrugbycanada.com If an item is defective we will replace at no charge if we have the inventory. If we do not, we will provide a full refund. For defective products we will send replacements at no charge for shipping.

2) Returns - For any items purchased that do not fit, they can be returned if tags are attached and item is unworn within 30 days of purchase for a full refund. Shipping charges are covered by the customer.

3) Custom products are non-refundable and require a confirmed email approval from the customer at the time of ordering. Custom product orders are approved through Kim Peggie at our office. Kim@gilbertrugbycanada.com

4) We have two dedicated highly experienced in-house customer service reps who will respond in a timely matter within 24 hrs (time may extend to 48 hrs in busy season). In situations where we don't have an immediate answer we will respond to your email to acknowledge receipt and provide a timeline to follow up with the requested information.

5) Work back schedules based on items required and dates needed for will be established with the customer at the time of ordering. We always plan to build some buffer into our order planning, but in circumstances where issues with global supply chain create unforeseeable delays we will work with the customer to determine an acceptable solution.

ALL CUSTOM ORDERS FOR BOTH TEAM KIT AND RUGBY BALLS REQUIRE A 50% DEPOSIT AT THE TIME OF ORDERING, AND THE BALANCE IN FULL WHEN ITEMS ARE READY TO BE DELIVERED.

Payment can be made by credit card , direct deposit, cheque or e-transfer to kim@gilbertrugbycanada.com
