

# Crucible Ring Size Guide

To use this size guide make sure you have a ring that fits the finger you want to wear the new ring on.

1. Print this page at 100% (**do not** click on scale to fit or shrink page to fit).
2. To make sure this page has printed to the correct scale, please measure the line below on your print out:

3. Place your ring over the circles on the printout and find the circle that fills the inside of the ring without overlapping.
4. Choose the letter that best matches the internal diameter of the ring.
5. Please note that this ring sizer is provided as a guide only.  
For an accurate fit it is best to visit any jewellery store and have your desired finger measured.
