- Integrated & automated membership billing.

E MindBody

Seen at Fight Summit, Las Vegas! MindBody provides internet-based software services to companies throughout the MMA and health-fitness industries. The California company's business software products include client management tools, credit-card processing, class scheduling, plus contracts, marketing and more. The software-as-a-service technology is automatically updated, accessible from anywhere, and grows with your business. Product packages are custom-designed for the needs of the individual business. For more information, visit www.mindbodyonline.com.

F UniSkin

Seen at Fight Summit, Las Vegas! UniSkin recently launched a variety of training apparel items designed to inhibit the growth and spread of dangerous and odor-causing bacteria, mold and some viruses. The UniSkin shirts, shorts and socks use "Fosshield" technology, a fiber agent that delivers anti-microbial solutions using a combination of silver and copper ions bonded to a ceramic material and embedded in a garment's fibers. The technology is activated by human sweat. Products available include shirts, socks and towels; training shorts will be available soon. Contact joenunitas@uniskinbyju.com for more information on availability and pricing.

G Dr. Hoy's Pain Relief Gel

Seen at Fight Summit, Las Vegas! This FDA-approved pain reliever uses all-natural ingredients to relieve pain for up to five hours. With menthol and camphor as the active ingredients, Dr. Hoy's gel cools when first applied, then gradually warms to provide relief to overworked muscles or sore joints. The topical gel also contains skin moisturizers and vitamin E. Dr. Hoy's is available in packages of 4 ounces and larger. Visit www.drhoys.com for pricing and ordering information.

H Core-Tex

Seen at Fight Summit, Las Vegas! The Core-Tex trainer features a 30-inch diameter flat platform atop a semi-spherical system that allows movement in all directions, training balance as well as dynamic movement and flexibility. This trainer allows for nearly infinite movements, making it an excellent tool for rehabilitation or athlete training. The Core-Tex trainer can be used with or without the adjustable handrail. This trainer is currently in use by a variety of athletes, including the U.S. Olympic Ski Team, professionals in both the NFL and MLB, and a number of MMA fighters. It retails for \$595. Visit www.functionfirst.com, or call (619) 285-9218.
