# TAKE CONTROL!

## LEVEL

Sets the volume of the pedal.

## BASS & TREBLE

Turn right to boost, & turn left to cut.

## GAIN

All the way left is completely clean.  
Turning clockwise increases gain &  
blends in overdrive.

## TOGGLE SWITCH

Up is more compressed with less  
headroom. Down is open and clear  
with more transparency.

## TRY THESE SETTINGS!

### CLEAN BOOST

### THICK CHORDS

### MID HUMP

### BALLS TO THE WALL
