

A4 Flyer

210mm x 297mm

Don't forget to delete or hide the Guide Layer.

Bleed Area

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing during the print finishing stages.

Trim

Your job will be cut on the solid black line, any images or text placed in the 3mm area may be trimmed off incorrectly.

Safe Area

Keep all your information inside the white area. Remember to use high resolution images (300dpi) for the best results.

Important:

Delete all written instructions and template lines before printing.

Outline all text/copy.

Supply final artwork as PDF, illustrator or InDesign.

Note: If you send an Illustrator or an InDesign file, please package it with all the associated linked assets (fonts, images, icons, patterns, logos, etc)
