

## SECURE PAYMENT GUARANTEE BY BYEBUYBARCELONA.COM

BYE BUY BARCELONA, in its objective of always offering the maximum security guarantees to its customers, has established a partnership with the world leader in payment security, STRIPE.

With the technology available to STRIPE we offer the highest guarantee of payment at all levels, since the connections are encrypted and indecipherable, guaranteeing all our customers that their payment is absolutely safe.

In some cases, according to the payment method selected, the name of STRIPE may appear on your bank statement, since the payments are managed by this platform.

### 1.- Payment by credit card:

#### CREDIT CARDS

The customer can choose the payment by credit card, the operation being performed at the time of placing the order. Visa, Mastercard and American Express cards are accepted as well as other arrangements.

The amount of your purchase will be charged to your account at the time of ordering through our payment systems partner: STRIPE, so that name can appear on your bank statement.

At [www.byebuybarcelona.com](http://www.byebuybarcelona.com) the system is called SSL (Secure Sockets Layer), payment system in a secure environment since it allows the encryption of the information transmitted during the transaction, ensuring the confidentiality of it.

### 2. Paypal:

If you choose this form of payment, once the purchase is completed, you will be redirected to the official Paypal website where you can make the payment through your paypal account or by card without need, in the latter case, to have an account in paypal (there you can check all the cards we accept).
