Dear EdisonFest Supporter

July 20, 2017

On behalf of the Bayham Historical Society, thank you for your support and/or donation toward our annual EdisonFest. As you may be aware, EdisonFest, normally held the first Saturday in June, was expanded this year with fantastic music by Moondog Uproar on Friday evening, June 2nd, for Family Day on Saturday, June 3rd, and to celebrate Canada's 150th birthday on Sunday, June 4th.

Your consideration and support is greatly appreciated. Without generous donors and supporters, like yourself, our special events and fundraisers could not be successful.

A thank you list, recognizing our many supporters, donors and volunteers is attached to this email and can be seen on facebook by visiting the Bayham Historical Society and on the Municipality of Bayham website at www.bayham.on.ca. Your commitment and ongoing support for all Edison related fundraisers is greatly appreciated.

The Bayham Historical Society has charitable status, and our volunteers have joined together to provide ongoing events that will be organized and conducted through the Society.

Interested persons are welcome and encouraged to join with us in our efforts to save the Vienna Edison & Bayham artifact and local history collections and to establish a facility in which to store and display them by emailing bayhamhistoricalsociety@gmail.com or calling 519-773-8798 for more information.

Official receipts for income tax purposes will be sent by mail, after year end, to those who provided financial support.

If you were unable to support us financially this year, we trust that you will consider doing so next year.

Thank you for your support and have a great summer!

Yours truly

Lynda Millard, Treasurer

Bayham Historical Society
