AGM

Thank you to all who attended our AGM on Friday 27th. It was great to have the different views and to also enjoy a meal together afterwards.

We are pleased to welcome Adam Ascroft to the committee. If you would be interested in becoming a committee member please contact Nadine.

We would like to thank Carrie Bradburn and Dean Mooney for their commitment to the group. Over their many years as members they have been an integral driving force, and we will miss their input.

Thank You

Membership

We have recently seen membership numbers drop, as our colleagues take the step into retirement.

It is through the continued support and membership fees that we are able to bring the high quality speakers to Cornwall. Saving us all on lost surgery time, travel and hotel costs.

We need new members so we can sustain the group. For just £15 per month, with a free meeting each year & discounted course fees, the savings far out weigh the costs. Talk to your colleagues today.
