LED: 18W
Luminaire flux: 1800lm
Color temperature: 2700K
CRI: ≥90
Voltage: 110V

CERTIFICATIONS

MATERIALS

- Metal
- Glass

Crosshatch System allows us to go further and create fully customized systems by combining tubes, light sources, and single or double crosses according to our preferences. Crosshatch System can expand both horizontally and vertically, and the sizes are completely customizable. Additionally, we can create angles to transition from a wall system to a suspension or ceiling system, adjusting the system to fit the needs of our space. This is an UL Certified lighting system.
