## Clara Adjustable Height Bar Stool

The Clara adjustable height bar stool by Bontempi Casa is a classy addition to modern kitchen or bar area. With an adjustable and swiveling seat, it allows you to be comfortable both at the counter, bar, or table for convenience, and the footrest adds to that comfort. The back comes in standard and quilted options and comes in different upholstery options. The standard back has a chrome frame, and the quilted back comes in Anthracite metal or Aged Brass.
