**Kito Side Table**

The Kito end table by Bontempi Casa is a one-of-a-kind piece of furniture that makes a gorgeous accent piece in a modern home. The skeletal profile uses a playful amount of geometry with a combination of sharp angles, curves, and clean lines. Thanks to the open structure, it is the perfect place to store books and other reading materials. The structure comes in an array of metal finishes to create a truly custom look.
