Kuga Wood Chair

Comfort meets style with the chic Kuga wood chair by Bontempi Casa. The slightly curved back and angled legs offer ergonomic support, and the soft upholstery provides comfort for hours. With intricate tufted stitching on the seat, it creates a checkered pattern that makes the chair stand out and look lovely paired with a variety of grand Bontempi Casa dining tables. It comes with a spessart oak frame and a choice between sand eco-leather, black eco-leather upholstery.
