Linda Counter Stool

The Linda counter stool by Bontempi Casa is a timeless seating solution for a modern home. The geometrically inspired silhouette features a combination of clean lines and sharp angles to make it stand out in style. With soft upholstery and an attached footrest, it provides comfort for hours. Thanks to the use of the best quality materials, it is sustainable for years to come. Manufactured in Italy with incredible attention to detail, the Linda counter stool is available to ship within weeks. Upholstery options include white, sand, anthracite, and black hard leathers.
