### Zac Desk With Silver Frame

The Zac desk quick ship by Bontempi Casa is an ideal addition to a home office. The sleek, professional style adapts well with existing furniture and decor yet still stands on its own stylistically. Thanks to the integrated drawers and two raised shelves, it helps with your storage and display needs. There's plenty of room on top for all of your workplace essentials, which enhances efficiency. The top comes in Spessart oak wood, while the frame comes in different metal options.
