

**ARRAY TABLE LAMP IN OPAL
BRONZE WITH SATIN BRASS
(QUICK SHIP)**

Simple yet elegant, the ARRAY OPAL Table Light is a sculptural fixture that is both modern and retro. Available as a single or twin arm version, the distinctive form will add an understated luxury to any interior scheme. Highly adaptable, both versions feature rotating arms and adjustable shades that allow the aesthetic to be tweaked to suit any space. The base is machined from a solid brass block, creating a feeling of glamour and luxe. The opal glass shades emit a soft, diffused light, making this table lamp perfect for desks, bedsides and side tables.
