

ARTES 1200 WALL LAMP IN BRONZE (QUICK SHIP)

Showcasing premium materials such as natural alabaster stone, bronze, ARTÉS Wall Light impresses with its refined, streamline silhouette. Central to the design is a honed, solid alabaster stone through which light is diffused, providing a warm, ethereal glow. The linear wall mounted light can be used singly to striking effect throughout hallways and corridors, or in multiples to create personalised lighting installations. For a contemporary lighting solution, the IP44 rated version can also be positioned on either side of a bathroom mirror.
