

**CIELO SMALL PENDANT LAMP  
IN SATIN BRASS (QUICK SHIP)**

Featuring CTO Lighting's signature fritted glass, developed and hand-made with our artisan partners, CIELO is a beautifully refined pendant light. The integrated LED light source is softly diffused by the elegant glass shade, providing a warm ambient glow. Available in a small and large size, and a choice of satin brass metalwork, this hanging light can be used in a variety of settings. The simple form of CIELO lends itself to a composition of multiples, especially in groups of three over a kitchen island, dining table or bar.
