- Metal

Designed to showcase the noble quality of materials, HERON Floor Light has a quiet and understated luxury. Championing quality and craftsmanship of the metalwork and finish, this floor lamp beautifully balances form and function. The easily moveable shade allows you to focus illumination exactly where it is needed, perfect for placing by bedsides, desks, and sofas. Available in a bronze finish with a choice of metal or stone bases, the streamlined, sleek profile of HERON make it a true timeless classic.
