

HERON TABLE LAMP IN SATIN BRASS (QUICK SHIP)

Design Michael Verheyden
FINISHES

Designed to showcase the noble quality of materials, HERON Table Light has a quiet and understated luxury. Championing quality and craftsmanship of the metalwork and finish, HERON beautifully balances form and function. The easily moveable shade allows you to focus illumination exactly where it is needed, perfect for placing on bedside tables, desks, and side tables. Available in a satin brass finish, the streamlined, sleek profile of HERON make it a true timeless classic.
