

SKYFALL OPEN MIRROR

Design Fabio Casali

Skyfall Open Mirror -

Skyfall collection marbled emotion. Low Iron sandblasted glass.

All of the products within the Skyfall collection are 4 mm thick mirror ready to mount on wall. Option with LED is available.

To provide the client with the certainty that the product purchased is a genuine article, Casali Home uses several devices which allow product authenticity to be checked. On the edge of the glass, at handle level, is marked the Casali Home logo. Each glass solution is supplied with a certificate of authenticity which is numbered and bears a hologram for further protection of the buyer.
