LED light with volumetric sensor in wardrobes with clothes rail (input 100/240 V - Europlug CEE 7/16).

MATERIALS

- Laquered
- LED

Blend credenza features doors with evenly-spaced, thin sheets of MDF, which together create a dynamic effect. The theme of dynamism is the predominant feature of its designer, Karim Rashid, who was able to introduce sculptural connotations with Blend. Last but not least, its storage capacity and functionality are noteworthy.

Frame, shelves and doors made from lacquered particle board or MDF. Ripple-effect in lacquered MDF.
