MATERIALS

- Wood
- Steel
- Fabric

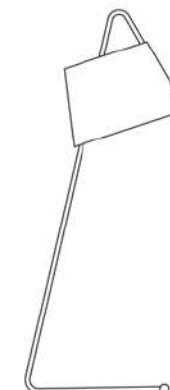

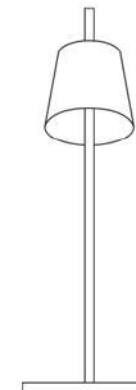

Numero 3 is a name that intrigues, it's true! In fact, it is not linked to the design of the object per se, but to the fact that Numero 3 is the third lamp designed by Patrizia Bertolini. The lampshade is covered in fabric and can be made by choosing from the many fabrics in the sample.

Base in brushed steel. Stem in solid walnut. Fabric and PVC lampshade. Europlug CEE 7/16.
